

Tuan Sing Holdings Limited

2019 ANNUAL REPORT

TRANSFORMING GROWTH

The strikingly minimal aesthetics of this cover design mirrors Tuan Sing's quest to deliver contemporary, yet timeless property developments that stand out in terms of both architecture and function. White space and clean lines are used to draw the viewer's attention to the cover image of our flagship property, 18 Robinson, which epitomises our strategy to develop iconic buildings in choice locations, be it in Singapore or abroad. As Tuan Sing continues to expand in both scale and reputation, the Group remains committed to its goal of repositioning itself into a regional player – a process that is not only transformative on an organisational level, but one that helps to shape regional landscapes of the future.
